UV & Sun Protection Policy

Mernda Junior Football Club (MJFC) will provide an environment which provides education and tools to assist players, supporters, and volunteers to minimize the risks associated with exposure to the sun.

Aims

This policy aims to provide ongoing education and support to reduce exposure to solar UVR by implementing appropriate sun protection control measures.

Our commitment

- MJFNC will attempt reduce exposure to solar UVR by supplying sun protection measures.
- Where practical MJFNC will inform players and supporters when it is necessary to use sun protection control measures while outdoors.
- MJFNC will ensure injury reporting procedures are followed when an incident or sunburn or excessive exposure to solar UVR occurs at the ground.

The committee will:

- Provide shaded areas or temporary shade where possible.
- Provide indoor areas and shaded outdoor areas.
- Encourage volunteers to rotate between indoor/shaded and outdoor tasks where UV exposure is extreme.

Members, players and volunteers will:

- Co-operate with all measures introduced by the Club to minimize the risks associated with exposure to solar UVR.
- Comply with instructions and advice regarding, use of sun protection control measures.
- Participate in sun protection education programs.
- Act as positive role models
- Be responsible for their own sun protective practices whilst at the football.
